MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with the Secretary of Defense,
21 September 1979 (U)

6. I discussed the move of the Collection Tasking Staff to the Pentagon. I gave him my reasons for not wanting to do it. I said that we would leave the three-man staff that was already there, but I hoped I would be able to get the office I'd asked for as a contingency location and that he would nominate a three-star officer to be Zellmer's deputy. He didn't think he could offer a three-star officer, but he would offer a two-star.

He was very reluctant to see the move discontinued and told Graham Claytor to try to resolve the Memorandum of Understanding in space location for the DCI issues that remain unresolved. I told him, and later Claytor, that it was not just these issues but the fact that it had taken a year and one-half of teethpulling to get even to this point of disagreement. He asked to get back to me in a few days. I told him I had only until Wednesday of next week to cancel the contract we had let for GSA to rehabilitate the space in the Pentagon. He indicated he might be willing to fund this on a contingency for the future basis. (S)

Alon - I touched this off last week because we ran out of time on the transfer of money to GSA for the Pentagon modifications. I brought the problem to Frank's attention and he talked to the DCS
